# Why Malta?

## Choosing Malta to set up business for international activities

- Malta is a member of the EU and is in the eurozone - therefore has easy access to European markets
- Strategically located in the centre of the Mediterranean, between Northern Africa and Southern Europe
- Malta is emerging as one of the fastest growing international financial services centres in the world, with a reputation built on sound fundamentals and excellent service
- Highly attractive onshore jurisdiction with favourable fiscal regime for internal activities and double taxation treaties with some 50+ countries
- Rigorous yet flexible regulatory framework
- Highly skilled, multilingual workforce of efficient and qualified professionals in all disciplines
- Low operating costs compared to other financial centres
- Considered as one of the EU front runners in IT adoption and has a favourable regulatory framework for electronic money and banking / financial institutions
- Various sophisticated multiple financial products and solutions for international business needs
